

## **Childcare Staff Positions Available**

Movement Climbing + Fitness, located in the heart of Boulder, CO is interested in hiring several childcare staff to provide secure and engaging care for children.

This individual will be part of a passionate team of community-oriented fitness enthusiasts that work in an environmentally-conscious, state-of-the-art facility. All members of the staff are experts in their respective fields, work well with a team and are committed to making Movement Climbing + Fitness the leader in its industry.

### **Brief Description of Childcare Staff Position**

The primary responsibility of each childcare staff will be to care for children ranging in age in a manner that is safe, appropriate and exciting. Every childcare staff member will work symbiotically with other staff members and the Childcare Director to create and maintain an excellent program that well-serves the children and their parents.

### **General Responsibilities and Duties**

The childcare staff will work on a part-time basis, and will be responsible for working room shifts, tracking participants, following all guidelines set forth, monitoring the overall safety of the room, and assisting with up-keep of the room.

### **Specific Time Commitments**

The position of a childcare staff is part-time and people filling this role can expect to work a minimum of 10 hours per week. The time worked is comprised of room shifts and some administrative time. If a childcare staff member so desires and is so suited, s/he may also work additional hours in other areas of the facility.

### **Compensation Package**

While there is a stated pay scale range for this position, the specific compensation package will be commensurate with the experience of the hired individual.

### **Qualifications**

To perform this job successfully, an individual must be able to perform each essential duty promptly and competently. Ideally, a candidate would have past experience with working in a childcare-oriented job.

Experience at a climbing or fitness facility is a plus.

Candidate must have experience working with a team.

Attributes of a successful candidate will include excellent customer service capabilities, punctuality, ability to problem-solve, uncompromised integrity and strong ethics, articulate and effective communication skills on all levels, dependability, responsibility, and accountability. The candidate should also reside in or near Boulder, CO.
